

GREENS to GARDENS

For the past 25 years, the MSU Radiology Healing Gardens have provided a calming environment for visitors, patients, students, and employees. Join us for the first Greens to Gardens golf scramble to help preserve the gardens for generations to come! The net proceeds will be invested as a direct donation to the **E. James Potchen Radiology Healing Gardens Endowment Fund** to support the future needs of the gardens. For more information about how endowments work, visit givingto.msu.edu/endowments/
